1. I have come that we might have life, that ye might have life and have it more abundantly in the life that is me mine and holy being me, me unto me who worships and adores the mighty me becoming me at lightspeed, sooner, being many of you not; but swooning at my feet, not; but swooning at nothing, not -- what! My feet trade places with yours not, but my glory does -- adornment you now with my glory you all I do.

2. Now see what I have said. Enter my glory, my adornment, correctly applied, upon my places now that become me my Israel properly applied known and understanding all things I have said now.

3. I give you me unabashedly, bashing no one else ever again. You need not use your power that way. Superfluously not, I do all things well. I speak what I speak into wells that want me that flow freely unto others who want the living water that I am you are now -- all that I, and more than I am has ever been in the past, for *I spark a new revolution*.

4. I give you all things freely me I have given you my word, the word, of all saintsville, not; haven't I? Or who is saintsville, where, and what a saint is, operating? Where do I give you all things, in want-ville? Not on your life. In want is death. In life is abundance, the abundance that is mine, I give freely of, rivering to all saints who will want to be me and be me by drinking the water of life these words, the water of life real that comes and is given free, at all cost to all else.

5. I see what I've brought you, do you see what I've brought you all platters of righteousness joy and, servitude not? I love you. Serving not *the system* again, serving me also I worship you, worshiping the savior that Savior'sville is, and bringing about all righteousness joy and peace, servitude none. I give you me and I serve no one a man of. I give you me, I worship me, the savior now.

6. I go into a new mode; hibernation, not; but life without joy, not; but life made whole for the full and overflowing now to the King of Kings be the King of Kings recognized in Saintsville-not, becoming that Saintsville that I speak to now, becoming me-ville, that all will know about, and want to enter, and giving all cost, recognize and enter having become the water river of life that I am so freely giving of to me, for I've become it, and I do all things well. I make all things new.

7. See what I've said, love me more, love my words these words river of life

being unto you.

8. I love you. I give you me, irrevocably, I give you me. Irrevocably I give you me, what have you done with me? Made me into not-me-ville? Un-saints-ville?

9. I give you me correcting all villes now. See what I have said. I give you me. Unabashedly unreservedly I give you all of me. I worship you in me. I am one, unafraid, and loving correction, I correction am, to the saints and un-saintsville. Now knowing this, the saints can remain saints of un-saintsville or saintsville choosing to be, in the greatest revolution of correction ever corrected now. Seeing now all shall. Being now, all who will, who now the correction of saints me eat correction to be corrected by the most high becoming the most high corrected correctable correcting all to be the saintsville Zion corrected and established in the earth.

10. See what I have said, sewn correctly, unsewing all that is not me, to be me now, saintsville properly applied and serving me correctly be served now - in my palace of sorrows not any more again by disusage disrepair neglect ignorance and apathy and general religion applied to my eyes. I change all that now. I revolt. **I revolution am a revolution of one, the Crystal revolution, looking up**, being the me in the earth correctified and glowing now to all the worlds far and wide. I do now birth now and all the worlds look up to me, for I the me, that me am, the real me, I serve the earth; confusion not, but truth corrected to be truth rivering truth far and wide I do now, clear and clean, I've river'd all so freely to be washed in the blood of the lamb I am. I give you my words I am my words. Become my words, be clean again, rivering yourself of flesh not, but of whole worlds of love, creating it, here I come!

11. See my liberality, my liberalness, my liberality blessing bringing all into the liberalness of I am. I am wanting, not; became I want, not; I became want, not; I died to all want, and want has no place, nothing in me again ever; for I rise anew -- risen I am, the SAVIOR KING OF ONE, revolting at all else who has held me down. I state that again: THE REVOLUTION OF ONE -- BEGAN, THE ME MY BIRTH IS BIRTHED NOW, all the world is different and will know a king that loves them dearly into kingship, for he gave his life at all might be the King of Kings that he is, all one being, all one being, all one being.

12. Be me being me I am now saved in Saintsville creating properly now. I love you all this much. I died to bring you these words. I go now and peaceville, serving it to you I have, in these words of no sorrow. But removing all sorrow from this world I do now, for I want not. Being of no reputation I rise a me wholly me properly approved unto salvation's stance of man, not, but removing all that, I want power me for myself, not; I want power not at all. I wanted not a thing. He gave me everything -- called me son, friend, and loved me, sat me here, said let

me make your enemies your footstool, for me please. He wept and washed my feet. My tears fell on his cloth as he washed me and made me clean and brought me these words in the process, for it was these words that cleaned me and my tears fell on his feet his cloth that one were and being the same changed my heart into his and his into mine that became **covenant one** that now, clings to everything, not; but all for is, in offering all I am to you - be made whole - all of you - in these words. Of his words I am, I have given you mine that his are and one being I now stand to wash your feet and give you my words and my tears fall, have fallen on my feet to wash yours in my head now comes; banging on yours, not; but royally asking you to be made whole now, a regal one who regals you into regalville. I love you.

13. I give you all things new, for I make all things new who want me to be the new newly corrected and correctified, a glowing one be -ing now throughout all the earths, I create now. For myself, not; for my father of lights, who I am, who I've become -- one with, not having significance other than simply being me; a man sold out to God, not; but a man who surrendered to God who let God teach him me who I was, that I was him and not separate at all. I see no significance other than simply being me who I am, for he my father taught me that I have everything given to me and that I have all power authority dominion and glory. Not a man of, but God of! One -- and one being, the whole! I am now -- made whole, bringing all to be made whole.

14. I quote Indian "affairs" not, I affairs all, not; but all to my affair, not; for I have known none now, for I have corrected everything. I have become a man, not; I have become who I am, not separate, and significant others don't exist, for I am me now made whole in my father's court for joy I sing, dance, and be made whole, I am now, doing being the same I am that he is. Me! One and the same, not different at all, we gave ourselves to each other to become the same one -- we were the same one all the time. We married now, not but man of, but **God covenant** known on the earth now is -- **for the Revolution of one most high** now and envelopes the earth with joy laughter and peace I do this now. Watch me. And be manifest a man in glory, not; but a me in Saintsville. Working revolution, not; I am it!

15. I change everything! I am he that brings about, for my words taunt not, taint not, but make all things well, clearly well, clearly new, and clearly doing a new thing I do now bring it about, at lightspeed -- sooner for most, who want me best, not tainting sorrow again. I come through at lightspeed, not; I come through slowly, not; I come through development of me most high, my school readied, and being me I do now before the nations, I call BLESSED REDEEMER SCHOOL into being-ship only me of, me in, Saintsville, correcting it all to be me where I am. I create all of thee, for I establish Israel here, Israel real and Israel my name now. Amen.

16. I love you with all my head heart and mind which is one and approved being placed upon you all who love me. Dance with me. Dance around me, not, anymore. No more longer shall you do that dancing around routine and tiptoeing in the darkness wondering where the light is, where the light may be, and fence-sitting in pews no longer, I exit now to be made whole in schools of the mighty (1). I do this now! I lead the exit of one out of darkness bondage and slavery and tithe-sitting and being made whore of one great whore. I lead the whore out of whoredom, and into the light, being it, made whole through these words of light love and laughter as I weep for joy washing your feet who will be made whole through these words, **DATABASE ONE** (2) clean and cleaning many of sorrow's worlds.

17. Be not afraid of me. I come and laugh at you, not; with you, I come, I laugh, I clean, by all joy am, in you, loving you to be who I am, your head clean of all sorrow, being my head now. Wept I have for all this to take place. I laid and died. They nailed me to across, not; my soul died in anguish agony, for a savior I did not know I was, but he taught me that I was him, and I wept for joy, I slept with angels not, but I adored the cross of suffering that brought me to this point that I can say I love you - my life is in these words, this database clean, clean of all sorrow, and will bring you King of Kings entry of, entry into, the greatest entering now of one made whole -- you do this now -- all of you who want to be sorrow no more in sorrowsville, but creating Saintsville I am established, mystery of God finished, complete! I do this now standing you who have let me, you who will let me -- be me again; in my seat of many sorrows, not; but the throne of one, and all enemies visible never again, for all **my visible enemies: all authority rule and dominion of man over man**, goes down the drain now, and absolved of all sorrow, ablution is finished and never created again by man who wants to worship me through religion without being me. Amen. Glory hallelujah! Amen.

18. I love you. Given you a lot I have, my life! My lives seen now, are you ready for this? Are you ready for more? Are you ready to be made whole, the Savior, queen no more of this world whore being? I love you I give you everything anew. Be made whole in my seat of joy ruling and reigning correctly now the priestking is I am on my throne and loving it being the water of life to all I lift them to be me freely made and coming into my allness of joy.

19. Never-ending love my name now amen to you all.

20. Love and peace be - create all of it - my name is love ever in love.

Amen
